Description

The deep shell design is great for most PA/DJ gear and devices like amplifiers, effects, snake cables, etc. These 3U usable space rack Cases are made of lightweight ABS with aluminum rails and finishes, making carrying your gear easier. These racks offer excellent protection of anything that is mounted in them. The shallow design is great for smaller gear and devices like wireless mics, preamps, etc. These racks are 17 inches deep, have standard 19" mounting rails, spring-loaded handles, sturdy butterfly latches and rack screws are included!

- ABS and aluminum construction
- Gasket sealed lids for maximum protection against dust and moisture
- Integral front and back industry standard 19" rails
- Pull out handle and integrated wheels

Features

- 19" Stackable ABS Rack Case 4U Depth 17" with Trolley and Wheel
- Lightweight hard, impact-resistant ABS Construction
- Threaded, Field Replaceable 7mm Zinc-Plated Steel Front and Rear Rack Rails
- Heavy-duty twist latches
- Comfortable recessed side handles
- 17" rackable depth
