

Waterproof Trolley Protective Case **multicomp** PRO

Description

This waterproof heavy-duty protective case is designed to provide maximum protection for cameras, tools, and sensitive equipment. Built with durable plastic and equipped with advanced sealing features, it ensures safe storage and easy transport in harsh environments.

Application

Suitable for protecting for cameras & photography equipment, drones & accessories, electronics & laptops, tools & instruments, outdoor and travel gear

Features

- Waterproof and dustproof sealing performance
- Designed for rugged and industrial use
- Designed for rough environments and outdoor use
- High-quality O-ring seal provides reliable waterproof and dustproof protection, keeping contents dry even in harsh conditions or full submersion
- Rugged, shockproof construction safeguards valuables from drops, impacts, and vibrations during transport
- Customizable pre-cubed foam interior allows items to fit securely and stay well protected
- Adjustable retractable pull handle ensures easy handling and convenient storage
- Durable polyurethane wheels offer smooth, quiet, and effortless mobility across various surfaces
- Easy-open latches enable quick access, while the automatic pressure equalization valve maintains internal stability
