

Connect 8-Port USB-C® Hub with 2.5Gb Ethernet

Working professionals seeking more ports for peripherals can connect up to eight devices from a single USB-C cable to power and expand workstations. This hub packs up to 100W Power Delivery[†] to your host device, 4K@60Hz resolution and up to 2.5Gb Ethernet.* Whether you're looking to boost productivity or quickly transfer files, it's ready when you're at home, in the office or on the go.

Product Benefits

- Gain eight additional ports through one USB-C connection
- Supports display resolutions up to 4K@60Hz
- Stay charged with up to 100W of Power Delivery[†] to your host device while you stay connected to peripherals
- Spend more time working and less time transferring with fast data transfer speeds up to 10Gbps
- Dedicated Ethernet port ensures up to 2.5Gb of fast, reliable hardwired network access[‡]
- Get peace of mind with a 6-point safety system:
 - Overvoltage protection
 - Overload protection
 - Over-current protection
 - Over-temperature protection
 - Short-circuit protection
 - Fire-resistant materials
- Includes a 2-year warranty

Technical Specifications

- Up to 2.5 Gigabit Ethernet[‡]
- 2x USB-A (10Gbps)
- USB-C (10Gbps)
- USB-C (PD 3.0 100W, 10Gbps)
- RJ45 Ethernet (up to 2.5Gbps)*
- HDMI 2.0 (4K@60Hz)
- microSD 3.0 (DDR200)
- SD 3.0 (DDR200)
- Made with recycled plastic*
- Dimensions: 4.7 in./12.1cm (L) x 2 in./5.1cm (W) x 0.6 in./1.6cm (H)
- Weight: 3.71 oz./105.3g
- Tethered USB-C cable length: 7.9 in./20cm

Package Includes

Connect 8-Port USB-C Hub with 2.5Gb Ethernet

Compatibility

Compatible with USB-C enabled devices such as laptops, tablets, smartphones and Thunderbolt™ 5, Thunderbolt™ 4, Thunderbolt™ 3 ports. Supports Windows, Mac and Chrome OS.

Product made with recycled plastic*
100% plastic-free packaging

Connect

8-Port USB-C® Hub with 2.5Gb Ethernet

The Belkin Connect Family

Connect products are all about making connections. From cables that charge and share data, to docks and hubs that bring devices together for a more streamlined experience, Connect delivers data in the most efficient way possible, while maintaining the highest levels of quality. The very first product Belkin released to market was a cable, and we are proud to say that making connections has been an essential part of our story ever since.

The Belkin Difference

- Pioneer in innovation and technology for over 40 years
- Extensive testing procedures guarantee quality and durability

The Belkin Connect Family Characteristics

- One-cable solution to connect essential peripherals to a computer
- Single solution to connect you to multiple peripherals
- Multiple ports provide fast, simultaneous connection
- Designed for portability to facilitate quick and easy workstation setup and takedown

INC024hqSGY, INC024fqSGY

*Product housing (excluding cable) is made of a minimum of 75% post-consumer recycled plastic.
†USB-C port supports data transfer and pass-through charging up to 100W, minus 15W for the adapter's operation. Recommend using 60W charger (not included), which will deliver up to 45W pass-through charge while using other adapter functions. Performance depends on laptop requirements.

*Speeds will vary based on host device and connection.
