

Product discontinuation notification (PDN)

Title / short description	Discontinuation of INTERBUS PC master controller board
Affected article category	Industrial communication technology
Change category	Discontinuation
Change number	IDR250004_DREABA-01
Reason for PCN/PDN Revision	

Purpose/objective of the change

Cancellation of the notice of Discontinuation

Detailed description of the change

We would like to inform you that the following product is currently not discontinued:
 - IBS PCI SC/I-T - INTERBUS PC master control card in PCI format with electrical isolation
 Unfortunately, the discontinuation notice was inadvertently sent out too early. This was not intended.
 A discontinuation is generally planned. We will of course inform you about the current Last Order and Last Shipment dates. This is currently planned for autumn 2027.
 If you have any further questions, please do not hesitate to contact our sales team.
 Thank you for your understanding
