DESCRIPTION OF CHANGE:

Because of a database mismatch, Würth Elektronik eiSos corrected the packaging specifications of the part number 7427511.

Additionally, we updated the schematic of the series to include a core line representing the magnetic core of the component.

This is a datasheet correction only. There will be no change in fit, form, function, quality or reliability of the product.

The preliminary datasheets of the affected part numbers which are available in the online catalogue will be available on the website after the PCN date. Link to the website: [WE-SUKW](#)
