

Lifecycle Status Change Notice

Lifecycle Status Change

Not Recommended for New Designs (NRND)

Series

TRACO POWER Series THN 15

Effective Date

26.06.2026

This notification informs about a lifecycle status change of the THN 15 series.

Products with the status “Not Recommended for New Designs” (NRND) remain available for existing projects and maintenance but should no longer be specified for new designs.

Customers are encouraged to evaluate alternative TRACO POWER products for new or ongoing projects. Please contact your TRACO POWER distributor or our [Sales and Support teams](#) for assistance.

Customers may also look for a suitable TRACO POWER replacement on the dedicated category page [DC/DC DIP / PCB Modules](#) on our website or review the recommendations below.

Affected series	Potential Replacements
THN 15	THN 15N, THL 15WI, TEL 15N, TEL 15WIN

Please also check ‘**Appendix 1**’ on the next page for a detailed replacement list.

We thank you for your understanding and apologize for any resulting inconveniences*.

* Customers may also register for the <<Keep Me Updated>> feature available on our individual product websites. This feature serves for receipt of real-time technical or status related product change notifications.

** Product options are not explicitly listed but included in the status change notification
