

EOL Number:	EOL_2026-02#02	Notification Date:	27th of February 2026
Affected Product Group:	RMOD500-W Series, RPA150Q-RUW Series		
Affected Products:	see List below		
Effective Date:	27th of February 2026		
Last Time Buy Date:	N/A - see information below		
Last Delivery Date:	N/A - see information below		

Reason:

Dear customers,

This letter serves as formal notification that RECOM is discontinuing the production of the product(s) listed below with immediate effect.

Due to unexpected and irreversible component availability issues, we are no longer able to manufacture or supply these products. Unfortunately, these supply constraints are beyond our control and leave us without the possibility to offer a Last Time Buy (LTB).

As a result, no further orders can be accepted, and existing open orders may be subject to review. Your local RECOM sales representative will support you individually to discuss the status of any outstanding orders.

To support you in the transition, we have included recommended alternative products within this EOL notification. Our team will be pleased to assist you in evaluating and qualifying these alternatives to ensure a smooth conversion.

We sincerely regret the inconvenience this situation may cause and appreciate your understanding. Please do not hesitate to contact us or your local sales representative should you have any questions regarding this notification.

We remain committed to supporting your future requirements.

End of Life Notification
