

WP-HVU

The Dual Gang HDMI, VGA and USB-B Input Plate provides a professional in-wall connectivity solution for meeting rooms, classrooms and collaborative environments. Featuring HDMI, VGA and USB-B connections, it enables convenient integration of laptops, PCs and other AV sources into presentation systems. The HDMI and USB-B ports are equipped with 150mm female-to-female fly-leads for quick and straightforward installation, while the VGA video and 3.5mm stereo audio connections terminate via a 15-pin screw terminal connector for secure wiring. Available in both UK and EU double gang formats, the plate is offered in either a Pearl White or Brushed Aluminium finish to suit a wide range of installation environments.
