Product/Process Change Notification For:

End of Life Resin Molded OxiCap Solid Niobium Oxide Chip, J-Lead

Attention:

Dear Valued Customer:

Thank you for your continued support of KYOCERA AVX. We are writing to formally notify you of a change affecting some of our products. Please review the details below and provide your feedback in writing by the specified due date. We appreciate your understanding and cooperation.

1. Affected Product(s) and Change Details:

Change Type	Before Change	After Change
Obsolescence	San Salvador, El Salvador	Discontinued

For a full list of affected part numbers and details, please refer to the attached document.

2. Reason for Change:

KYOCERA AVX Components Corporation will be discontinuing the Resin Molded OxiCap Solid Niobium Oxide Chip, J-Lead series. While these products have consistently delivered strong performance and reliability in the field, the market expectations of substantial growth in this market never materialized.

We remain committed to supporting your needs and will offer a Last Time Buy Niobium Oxide Capacitors, for quantities up to **1 year** of prior shipments as of April 1st, 2026. All new orders must be placed before **August 14th, 2026**; all orders and backlog will be delivered before and no later than **June 30th, 2027**.

3. Product Comparison (Before & After Change):

Obsolescence
Resin Molded OxiCap Solid Niobium Oxide Chip, J-Lead

4. Implementation Schedule:

Change Event	Target Completion Date	Comments
Change Implementation	Aug. 14 th 2026	Resin Molded OxiCap Solid Niobium Oxide Chip, J-Lead
Last Delivery (Before Change)	Jun. 30 th 2027	Last delivery.
Last Time buy Date	Aug 14 th 2026	KVAX would like to offer LTB with the quantity not higher then the last 1 year orders.

5. Feedback Deadline:

Please submit your feedback in writing by **August 14th, 2026**.

6. Contact Information:
