

Product change notification (PCN)

Title / short description	PSM-ME-... serial converters, change of color, QR code, packaging
Affected article category	Industrial communication technology
Change category	Material, Packaging
Change number	CDN240072-01
Reason for PCN/PDN Revision	Additional change of packaging

Purpose/objective of the change

Change of housing color, QR code, packaging

Detailed description of the change

The housing color of the items mentioned below will be changed from green to traffic gray (RAL 7042). The logo on the front plate will be slightly adapted.

In our effort to support environmental sustainability, the packing slip will no longer be included in paper form. Instead, a QR code will provide access to the latest documentation. The QR code will be added to the marking on the product.

The items are no longer delivered in a cardboard box, but in a plastic bag. This packaging is made with recycled content.

Please note that all product characteristics, as described in the data sheet, remain unchanged. The new product versions will be fully downward compatible.

For more information, please refer to the attached document
