TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

**Product Description:** (Text limited to 120 characters)

MicroSpeed angled Powermodul

**General Description of Changes**

Valued Customer, TE Connectivity would like to inform you of a manufacturing process optimization involving the molded plastic components used in the production of selected finished products. The molded components, previously sourced from external supplier, will move to another TE qualified external supplier. This vendor will perform the standard control and quality measures on individual production batches, which are obligatory to comply with our internal series production and product specifications. There will be no expected impact on the form, fit, or function of the affected products at this time. Timing: January 2027

**Reason for Changes:**

Manufacturing location change
