TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Packaging

Description of Changes
We are validating a packaging change to the HVA280 products described below. The packaging quantities will change from 50 pieces per pack to 400 pieces per pack. As part of this change, the box and bag size will also be updated. PPAP will not be submitted with this change.

Reason for Changes:
Product improvement. This change is intended to reduce packaging material usage and decrease handling time for operators during their activities. Please note this is a packaging-only change involving pack quantity, box size, and bag configuration updates. This change will not affect Form, Fit or Function of the product. ​
