

MLN 100/1

Technical drawing of the 1000 Series 1/2. The drawing shows a side view and a top view of the component. The side view indicates a total length of 20.5 + 38 = 58.5 units, with a diameter of $\varnothing 4$ at the front and a larger diameter section of 38 units. The top view shows a width of 7.5 units and a height of 15 units. A detail view of the end shows a central hole and a mounting flange.

⁽¹⁾contact the manufacturer for applications at deviating temperature ranges

⁽²⁾without rated measurement category, for other circuits that are not directly connected to mains
