Discontinuation of Rail-Mount Terminal Blocks and Accessories from 880 Series

Dear Sir or Madam,

WAGO products are usually characterized by a long-life cycle. Experience has shown that new variants and articles are constantly being created, which supplements and optimizes the existing range.

However, the life cycle of each product is not endless, and we would like to inform you that the selected WAGO articles will be discontinued in the foreseeable future.

Affected products/variants:

Rail-Mount Terminal Blocks and Accessories from 880 Series

End of Sale Date (EOS):

31.05.2027 has been foreseen as the End of Sale date for the mentioned products. The End of Sale date is the latest order date where you can order the items without restrictions. This is the last time that we can/will confirm the delivery of the item to be discontinued. After the End of Sale date, no further order can/will be processed any more.

End of Delivery Date (EOD):

30.09.2027 has been defined as the last delivery date. This means that up to this date the orders which were received until the last call date will be delivered.

Alternative options:

Where applicable, WAGO products may be replaced by alternative solutions. Please verify these alternatives against your specific requirement profile regarding functionality, geometry, and technical properties. The replacement products from our TOPJOB® S range for the discontinued items are listed in the comparison table below.

WAGO Rail-Mount Terminal Blocks and Accessories

Please make a note of the deadlines in your documents.

We are informing you about the planned product discontinuation process at this early stage to provide you with the possibility to apply WAGO alternatives – and therefore we explicitly offer you the support of our field service.

With best regards,

WAGO GmbH & Co. KG
