Notice of Change to Individual Bag for Connectivity Module

Connrctivity Module Family

Dear. Valued Customer

Thank you very much for your great and continued support for business with Murata.
This is the official notification of change to individual bag for connectivity module family.
Your understanding and support are highly appreciated.

1. Product Type and Changes

Product Type: Connrctivity Module Family

Before Change	After Change
Sticking a Caution Label	Printing a Caution Label
Right angle corner	Curved corner

Please refer to the attached documents for detailed Part Numbers' information.

2. Reasons/Background:

As part of SDGs activities, we will eliminate the ESD labels that were previously attached to aluminum moisture-proof bags and print information equivalent to the contents of the ESD label on aluminum moisture-proof bags.

3. Products Before and After the Change:

This change does not alter the material of the aluminum moisture-proof bag or alter its environmental impact.

4. Change Schedule:

Production Start with new alminum bag: January 01, 2027 or later
(Running change)

5. Contact Window:

Should you have any questions or concerns,
please contact Murata Sales, Representative, or Distributor in your area.

6. Request regarding information handling

We kindly request that the information provided by us not be disclosed or shared with third parties, including data base providers or by posting on websites.

Truly Yours. Thank you.
