Description of Change: Apply Sn/Pb terminal finishing in different manufacturing location. Addition of Ni-Pd-Au interlayer to prevent excessive Lead frame oxidation. Change base LF material from alloy 42 to Copper alloy C194 for B-case.

Reason for Change: Current Sn/Pb plating subcontractor discontinued manufacturing.

Expected Influence on Quality/Reliability/Performance: No.

Part Numbers/Series/Families Affected: 04051-*

Vishay Brand(S): Vishay

Time Schedule:

Start Shipment Date: Tuesday November 10, 2026

Sample Availability: Upon Request.

Product Identification: N/A.

Qualification Data: Upon Request.

This PCN is considered approved, without further notification, unless we receive specific customer concerns before Wednesday September 9, 2026 or as specified by contract.
