Subject: Obsolescence for Standard Power Series

Dear Valued Customer,

This letter serves as a formal notification of End-of-Life process initiation for Standard Power Series products. This announcement relates to part numbers listed below, and a complete list of products impacted are specified in Appendix A - Affected Part Numbers. Any open purchase orders for the affected part numbers that have not shipped as of the date of this notice are subject to cancellation or modification at Honeywell's discretion.

Due to a last-time-buy from a vendor, fulfillment of last time buy orders will not be possible at this time.

TIMELINE OF EVENTS

The following timeline pertains to all affected SKUs. These dates are subject to change at Honeywell's discretion based on availability or other business considerations, and Honeywell shall have no liability arising from any such changes.

Product Series	Action	Description	Date
<u>Standard Power Series</u>	<u>Last-Time-Buy</u>	No orders for the affected parts are accepted	July 24 th , 2026

We are fully committed to helping you manage this transition with clarity. Please reach out to your local Honeywell sales representative to discuss your transition plans or any other inquiries you may have.

WARRANTY/REMEDY

Subject to the following conditions, Honeywell warrants goods of its manufacture as being free of defective materials and faulty workmanship during the applicable warranty period. Honeywell's standard product warranty applies unless agreed to otherwise by Honeywell in writing; please refer to your order acknowledgement or consult your local sales office for specific warranty details. If warranted goods are returned to Honeywell during the period of coverage in accordance with Honeywell's return material authorization (RMA) process, Honeywell will repair or replace, at its option, without charge, those items that Honeywell, in its sole discretion, finds defective. **Notwithstanding the foregoing, in the event of a product end-of-life or obsolescence, or inability of Honeywell to manufacture or source materials or component parts for a product, for whatever reason, and/or any associated last-time buy in relation to a product (an "Obsolescence"), Honeywell shall engage in commercially reasonable efforts to repair or replace products in accordance with the terms of its standard warranty, but in no event shall it be liable if it is unable to do so due to the Obsolescence. The foregoing is buyer's sole remedy and is in lieu of all other warranties, expressed or implied, including those of merchantability and fitness for a particular purpose. In no event shall Honeywell be liable for consequential, special, or indirect damages.**

Thank you for your attention to this matter.
