TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

PCN_I

Description of Changes

For process optimization we will replace the bigger corrugated box TE PN 973056-1 (600x400x200mm with 4000 pcs) including PE bag with the smaller corrugated box TE PN 973057-2 (400x300x200mm with 3800 pcs) including PE bag.

Reason for Changes:

Product improvement. As part of our continuous efforts to improve process quality, we hereby inform you of a packaging change. The current box in use is oversized and remains partially empty; due to weight constraints, it is not possible to further increase the fill quantity. The change will have no negative influence on quality, ability to supply and form-fit- of the concerned products.
