

Good afternoon

Please see below and attached notification of country of origin change for some Harting product; I had the team add in both the Newark and Farnell SKUs. Please update the COO and tariff codes accordingly, and reach out with any questions.

Thanks and have a great day,

Niki Taylor

DE - 24610590

Dear Niki,

Please find the attached sheet updated with SKUs and Order Codes. Since one part number had multiple Order Code/SKUs i have added serial number and same has been mapped with order code and skus.

Thanks & Regards,
Keerti Jogi
Assistant Product Manager

Subject: Product Change Notification - HAN A/B Production Relocation - US > DE

Dear Newark Team,

Please find attached our Product Change Notification regarding the temporary transfer of production for select Han A and Han B products, effective September 1st. This temporary relocation will help ensure uninterrupted supply, maintain strong delivery performance, and provide the capacity needed to support our growing business requirements.

Additionally, we have attached the complete list of affected part numbers that are included in this temporary production transfer. We encourage you to review both the notification letter and the attached parts list at your earliest convenience.

HARTING does not anticipate any disruption to supply during this transition. If any specific product impacts are identified, your Customer Success representative will communicate directly with you.

We appreciate your continued partnership and support as we invest in strengthening our regional manufacturing capabilities to support future growth.

If you have any questions regarding the attached notification or the affected parts list, please feel free to contact me.

Best Regards,

Pamela Rabell
