Title / short description	PLD M Machine lights - Elimination of printed packing slips
Affected article category	SPS and I/O systems
Change category	Documentation, Packaging, Marking
Change number	CDR260035-00
Reason for PCN/PDN Revision	

Purpose/objective of the change

Environmental protection, packing slips

Detailed description of the change

We strive to avoid generating unnecessary waste, both in terms of packaging and package contents. Therefore, in future, the packing slips of the listed products will only be available digitally, with a QR code printed on the labels. A hardcopy of the packing slip will no longer be included. Mixed deliveries may be shipped during the transition period.
