Issue Number: 1072

Subject: Discontinuation notice of select 3M™ Link Connector, 381xx and 382xx Series parts

Effective immediately, 3M will discontinue selected application-specific part numbers within the 3M™ Link Connector product family. Please note that this notice does not apply to the full 3M™ Link Connector product family; it applies only to certain part numbers intended for CC-LINK LT applications.

For affected part numbers currently active with 3M, the last order date will be Oct 30, 2026. 3M reserves the right to reject any order if materials or tooling become unavailable. All orders will be handled on a first come, first served basis, subject to available inventory.

This discontinuation affects the products listed in the following data sheets.

3M™ Link Connector 381 Series (TS-2098, Drawing Number : 78-5100-2098-1)
3M™ Link Connector 382 Series (TS-2099, Drawing Number : 78-5100-2099-9)

Standard products with largely compatible specifications are available, although these products have their own dedicated shapes, markings, and body colors for CC-LINK LT.

Product Type	Discontinued Product		Possible Alternative Product	
	Part Number	**Material ID**	**Part Number**	**Material ID**
381xx Series (Wiremount)	38104-A018-A0M FL	7000090210	38104-E018-E00 FL	7000090212
	38104-B018-B0M FL	-	38104-F018-F00 FL	7000090213
	38104-M018-M0M FL	7000090206	38104-0018-000 FL	7100296726
382xx Series (Boardmount)	38204-52S3-M0M PL	7000090343	38204-52S3-000 PL	7000007610
	38204-62S3-M0M PL	7000090342	38204-62S3-000 PL	7000090341

Thank you for your continued partnership with 3M.
