RED Flag Notice

Time to End of Commercialization: 5 Months

Note: The red flag notification signals an **obsolescence**, withdrawal or discontinuation of an offer.

Product Name(s):	SSM3 & SSM2 Solid-State Relays	Customer Support No.	1(847) 441-2540
Product Line Description:	3-Phase and 1-Phase Dual Channel Solid-State DIN Rail Mounted Relays with Integrated Heat sink	Document Issued:	08/14/2026

Description of Change:

The current **SSM3 3-Phase Solid-State** relay is being **obsoleted January 25th, 2027** (Last Time Buy) and is being replaced with the soon to be launched SSM3*L version 12/1/2026 which comes with a few improved internal specs. Dimensions are essentially the same, the front appearance may look different with screw terminal holes and labeling.

The SSM2 – single phase, dual channel Solid-State relay is being **obsoleted January 25th, 2027** (Last Time Buy) **without replacement**.

Please reference the attached transition supplement for more details.

Inventory Disposition and Return Policy:

Use to depletion. Standard warranty applies. Ineligible for Stock Rotations. All sales are final.

Definition of Dates:

- Last buy** shall be the last date that we will accept a PO. This date shall take into account the lead time to build the product as well as current inventory levels.
- Product support** shall be 1 yr beyond end of commercialization or last buy whichever the latter.
- Availability date of new product** is when the new products are expected to be orderable.
- End of commercialization** (EOC) if made to stock; this date will be before the last buy date (taking into account the build / shipping lead time as well as current inventory levels). If made to order; this date will equal the last buy date.

Note: Our factories have limited capacities for products going obsolete. Product availability will be set on a first come first serve basis.
