Product change notification (PCN)

Title / short description	FOC-Toolchange-Scissor
Affected article category	Tools
Change category	Form and appearance
Change number	CAF250100-00
Reason for PCN/PDN Revision	

Purpose/objective of the change

The 1212621 CUTFOX-ES aramid yarn scissors will be replaced by the new 1139721 CUTFOX-ES-1 aramid yarn scissors. This change affects several fiber optic tool cases.

Detailed description of the change

As part of a supplier change, the previously used aramid yarn scissors are being replaced by a successor model. Due to the different dimensions and contours of the new scissors, the contents and custom-fit cutouts in the affected fiber optic tool cases must be adapted to continue ensuring the secure and precise accommodation of the tool. The functionality, application, and intended use of the fiber optic tool cases remain unchanged.

Identifying characteristics

The change can be identified by the modified aramid yarn scissors and the partially adapted foam inserts in the fiber optic tool cases. The part numbers of the fiber optic tool cases remain unchanged.
