To Our Customers

LR6 Series Signal Tower
Notice of Addition of a New Country of Origin

We would like to express our sincere gratitude to you for your continued support.
We would like to inform you that, in order to maintain a stable product supply through the optimization of our manufacturing operations, an additional country of origin will be introduced for selected models of the LR6 Series Signal Tower.
Please find the details below.

Details

1. Applicable Models:
   Selected models of the LR6 Series Signal Tower (64 models).
   Please refer to the Appendix for the list of applicable models.

2. Details of Changes:
   Japan will be added as an additional country of origin.
   The country of origin will be either Indonesia or Japan.

3. Effective Date:
   This change will apply to products manufactured from February 2027 onward.
   Note:
   - Please note that the timing of this change may vary depending on the progress of the production transfer.
   - Other than the change described in Section 2, there will be no changes to the product characteristics, appearance, dimensions, or model numbers specified in the product specifications.
