## Technical data

|                            |                                       |
|----------------------------|---------------------------------------|
| Height                     | 160 mm                                |
| Width                      | 560 mm                                |
| Depth                      | 91 mm                                 |
| Material                   | Polyester                             |
| Colour                     | Squirrel Gray (RAL 7000)              |
| Ingress protection         | IP66                                  |
| Degree of protection norm  | EN 60529                              |
| Impact strength            | IK09                                  |
| temperature min.           | -30 °C                                |
| temperature max.           | 90 °C                                 |
| Seal material              | CR-(Chloroprene)                      |
| Insulation                 | Fully insulated according to VDE 0100 |
| Toxicity                   | Halogen free                          |
| Surface resistance         | >10 <sup>12</sup> Ohm                 |
| Surface resistance norm    | IEC 60093                             |
| Special colours on request | Yes                                   |
| Approvals                  | LR (Lloyd's Register), UL (508A)      |

## Commercial data

|                       |               |
|-----------------------|---------------|
| Country of origin     | IN            |
| Order unit            | 1 Piece       |
| Customs tariff number | 39269097      |
| Weight                | 3.27 kg       |
| GTIN                  | 4250157900685 |

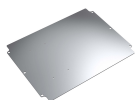

## ETIM classification

|        |          |
|--------|----------|
| ETIM 8 | EC000058 |
|--------|----------|
