Keystone and Field Termination Plug Closing Tool

Keystone and Field Termination Plug Closing Tool (TCkd)

This dual-level, parallel-jawed closing plier works to save labour when terminating ‘tool-less’ shielded and un-shielded keystones or field termination plugs.

Features:

- Crimping plier at two levels designed for closing either tool-less keystones or field termination plugs
- Long-lasting return spring
- Parallel jaw design ensures even crimping
- Sturdy construction which will stand up to repeated use
- Bi-material handles for enhanced comfort and non-slip performance assisting faster termination

Specifications:

- Net weight (incl. primary packaging): 362g
  Dimensions (incl. primary packaging): 265x105x29 mm
- Colour: Blue and black handles with black jaws
  Materials:
  Handle cover: Poly Propylene (PP) and thermoplastic rubber (TPR)
  Tool Body: Medium carbon chrome alloy steel (40Cr)
