Datasheet Change:

☒ Yes ☐ No

Attachment:

☐ Yes ☐ No

DESCRIPTION OF CHANGE:

Due to packaging optimizations, Würth Elektronik eiSos will adapt packaging tray to size requirements. Due to this size modification, the number of parts per SPQ will change.

Because of a database mismatch, Würth Elektronik eiSos will correct part number of heatsink application drawing.

This is a datasheet correction only. There will be no change in form, fit, function, quality or reliability of the product.

The new revision of the affected part numbers will be sent out after the previous revision is out of stock (according to FIFO - first-in, first-out).

The preliminary datasheets of the affected part numbers which are available in the online catalogue will be available on the website after the PCN date. Link to the website:
