Product Change Notification

Date Issued :	September 23, 2026	**PCN Number :**	518816
Reason for Change :	Capacity change or tool replacement		
Description of Change :	This notification is to inform you about set of tooling is being added to meet the current and future demands of this product referenced below. There will be no changes in fit, form or function from additional tooling when compared to the existing tooling		
Assessment of Change :	First Article Inspection		
Planned Implementation Date :	March 25, 2027		
Customer Sample Availability Date:	November 05, 2026		

Last date to request Samples by Customer : October 10, 2026

Please note if Samples are not requested as per Customer Samples Request date, it may take additional 4-6 weeks to arrange Samples.

Traceability Code Markings / Date : Product made after planned implementation date can contain the change

PCN OVERVIEW

- To better serve our customers, Molex will add capacity expansion tools (1 Auto Assy machine & 1 Mold) at Molex Bangalore-IND connector plant, for 'CP 6.5 products family connectors'. In this initiative, Molex India will develop 1 Auto Assy machine & 1 Mold listed under Engineering series # *151048*. There will not be changes in the Terminals (Component used for FG connector), sourcing for raw materials and packaging materials.

- The entire process is expected to get completed by Mar 2027. Molex will manage the transition schedule appropriately to ensure quality expectations are met while maintaining ongoing deliveries.

- Molex Bangalore facility is an established ISO/IATF16949 plant, with over 35 years of experience in running connector manufacturing operations. This project will enable Molex to uphold our tradition of delivering excellent quality and improve our overall capacity.

- There will not be any change in Packaging of finished goods.

PCN DETAILS

- No change in fit, form & function as the parts are produced from the new qualified Mold & Assy m/c available in India and Terminals will be produced from the existing Die as we have sufficient capacity with the increased demand.

- Appropriate samples, FAIs, or PPAPs will be available upon request placed on or before 10-Oct-26. We are confident that this transition will be seamless and beneficial for all parties involved.
