Nature of Change:
EOL / Replacement Notification

Date of Notice: 9.14.2026

Affected Model:

Product Name:	MW 3000
Part Number(s):	JW-T0100

This notice is to inform you that production of the JW-T0100 is being discontinued.

Last time buy will be limited to available stock.

The last day to request an RGM will be October 14th, 2026.

The suggested replacements, listed below, would be a great alternative for this discontinued part number.

Discontinued Part Number	Suggested Replacement	Differences
JW-T0100	JW-9100US-2	Form, Adjustable DPI, Rechargeable, Bluetooth

For additional product information, please contact Cherry directly or refer to our website (https://cherryamericas.com).

Orders are subject to product availability and in compliance with Cherry Americas terms and conditions.

We understand that product transitions are difficult for customers and sincerely appreciate your assistance with this notification.

Please reach out to Terri Struthers, Distributor Account Representative, for any support you need to complete this transition.
