Dear Valued Customer,

At TE Connectivity, we continuously evaluate our operations to ensure we are best positioned to serve our customers and support future growth. As business conditions continue to evolve and operating costs rise across industries, we regularly assess opportunities to strengthen our operations, improve efficiency, and leverage the scale and capabilities of our global logistics network. As part of these ongoing efforts, we have made the decision to further optimize our fulfillment network.

Following a review of our Industrial & Commercial Transportation (ICT) business unit's operations, we would like to inform you that the Customer Fulfillment Center (CFC) in Tullahoma, Tennessee, will be closing and its operations will be transferred to the TE Global Logistics Organization (GLOG) / EPDC in El Paso, Texas

The final customer shipments from the CFC are planned for end of December 2026. Beginning in January 2027, the TE Global Logistics Organization (GLOG) / EPDC in El Paso, Texas, will ship directly to customers. The transition will follow a phased approach to avoid unnecessary delays or shipping interruptions.

Attached is a list of impacted part numbers based on your purchase history over the past 24 months.
