Product Change Notice (PCN)

Date: 08/25/2026

PCN Number: 08252026

To Our Customers:

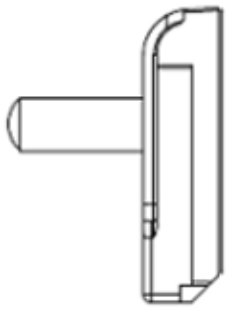

We appreciate your use of our products. Our commitment to maintaining and improving processes is demonstrated by plans to enhance our product quality, reliability and manufacturability. The purpose of this notice is to inform you of a product change.

Product(s) Affected: SMI10-USB series, SMI-CN-3L, SMI-CN-3L-W, SMI5-USB series, SMI6B series, SMI-CN-3, SMI-CN-5, SMI-CN-7, and SMI-CN-7W

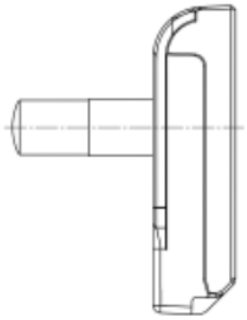

Reason(s) for Change: To comply with updated China safety regulations.

Description of Change: An insulating sleeve will be added to the AC blade to comply with updated China safety requirements.

Existing:

Updated:

Affected Date Code: Products manufactured before 08/01/2027 may use the existing AC blade without an insulating sleeve. Products manufactured on or after 08/01/2027 will use the updated AC blade with an insulating sleeve.

Product Availability: available

Additional Information: Existing units with the current blade, including on-hand, in-stock, or in-transit units, may continue to be used during the transition period. Beginning 08/01/2027, newly manufactured products must use the updated AC blade with an insulating sleeve.

PCN Approval:
