Product specifications are changed.

[Changes]

＜Brand Logo Change＞

Before Change

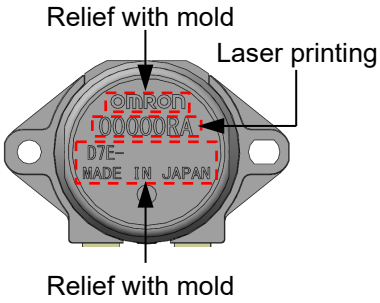

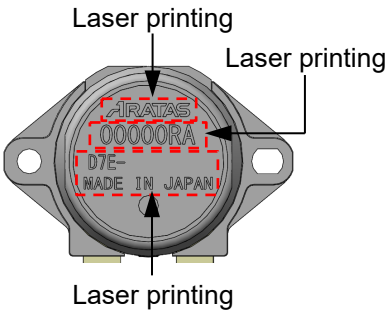

OMRON

After Change

ARATAS

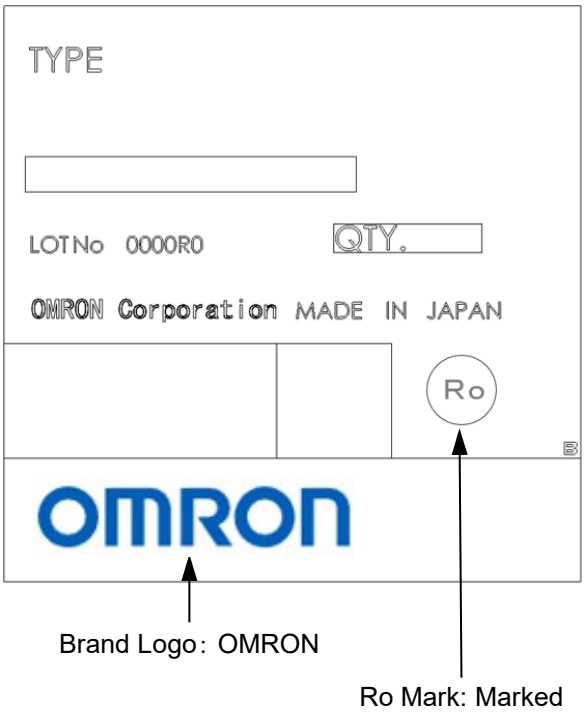

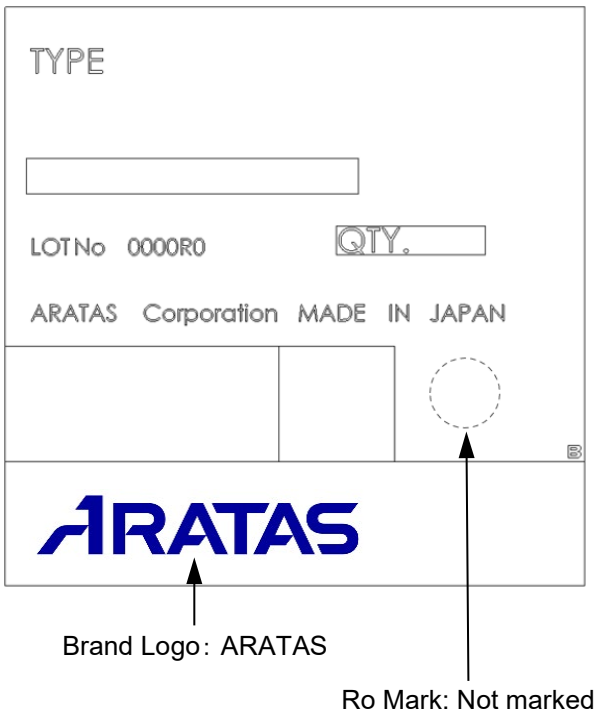

＜Brand Logo Change of Product Body＞

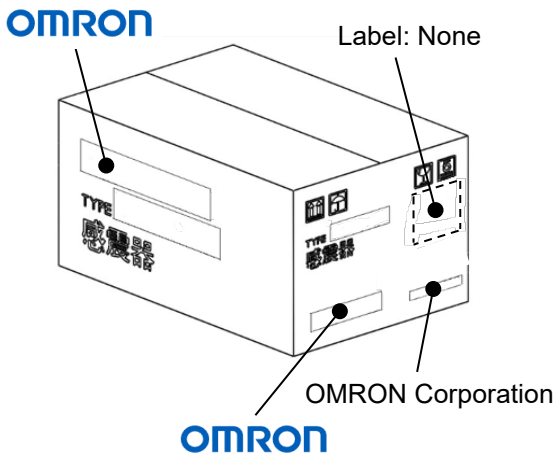

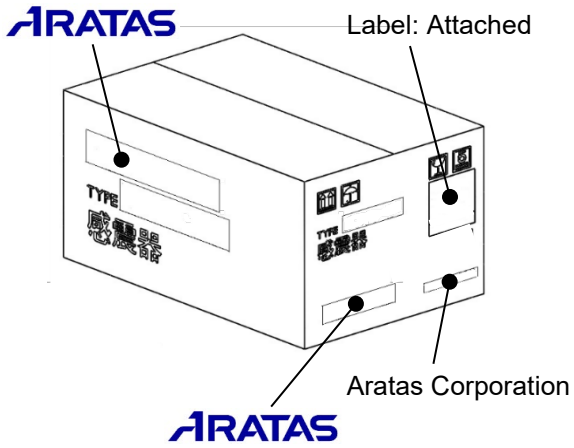

- The brand logo displayed on the product body will be changed. There is no impact on product functionality or performance.
- As a result of the logo change, the location, printing method, or size of markings may also be changed.

Before change	After change
1)Brand Logo Change of Product Body ■ Brand Logo: OMRON Product Marking  	**1)Brand Logo Change of Product Body** ■ Brand Logo: Aratas Product Marking 

＜Packaging Marking Changes＞

- The brand logo displayed on packaging labels, outer labels and outer cartons will be changed.
- The following label illustrations are representative examples and may differ from the actual labels.
- Attach the label to improve both the recognition of product model name and the shipping operational efficiency.
- Ro Mark of the label: Not marked
  According to the change in the issued PRODUCT NEWS (20250325_PDC_00001) “Discontinue the use of the Ro Mark to internally identify products that use/non-use specific chemical substances, including those designated under the RoHS Directive”.
