

MagTape Xtra

High-Tak Gaffer Tape

- Manufactured to provide the user with a noted increase in both adhesive and tensile strength compared to MagTape Original and MagTape Matt Tape.
- **Please Note:** MagTape Xtra does not have the same residue resistant qualities as MagTape Original or MagTape Matt. For a minimum residue gaffer tape use MagTape Original or MagTape Matt.

| Colour | Dimensions | | Mftrs. List No. | Order Code |
|--------|------------|--------|-----------------|------------|
| | Width | Length | | |
| Black | 50mm | 50m | CTME50BK | 167-6637 |
| Silver | 50mm | 50m | CTME50S | 167-6639 |
| White | 50mm | 50m | CTME50W | 167-6638 |
