

Mobile Telephone In-Vehicle Holder

Direct Dash/Panel Mount

Adjustable width with ratchet mechanism and ratchet release

Will accommodate phones with a width of between 43-67mm (approx)

Two methods of fixing: either a small clip-in bracket that can be screwed directly to the surface or by the flexible PVC mounting bracket (95x33mm), stuck in place with the double sided sticky pad supplied

Padded sides to protect and grip the phone

Note: For best results ensure surfaces are clean and free from grease and polish before attaching any sticky pads.
