Laptop Speaker Z205

As portable as your laptop - with better sound

- **Lightweight, clip-on design**
- **Stereo sound**
- **Plug-and-play, USB connection**
- **Carrying case**

Logitech® Laptop Speaker Z205. As portable as your laptop – with better sound. The lightweight, clip-on design attaches securely to most laptops and netbooks, so you can easily use it anywhere you use your computer – your lap, your bed, the patio and more. You can immerse yourself in rich, full stereo sound for your music, movies, video calls and everything else you're enjoying on your laptop. A single USB connection delivers power and pure, digital audio instantly – without the need for software or an external power supply. And a carrying case protects your speaker while inside your bag or briefcase.
